Hello Steve:

During our conversation on the first of the month, one of the items discussed was BER Coporation dba White Cross Drugs - and you mentioned that the store had hired a team of ex-DEA people to make an assessment. You also mentioned that your VP, Michael Mone had the report in his possession.

Subsequently, I learned that the team of ex-DEA people who did the assessment and report for White Cross included Doug Herbert, a retired DEA Assistant Special Agent in Charge, who formerly worked out of the DEA office in Phoenix, and retired Diversion Investigators Jerry Goldsmith and Barbara Roberts.

It 's likely that this group and other ex-DEA people will be doing more of this sort of thing.

Would you kindly check with Michael, and find out if you can share that assessment report with me? I appreciate it very much. If so, I 'll be happy with a PDF copy or snail mail to my Stamford Address (below).

How was your trip to Maryland and Florida? I 'll be happy to compare notes on dispensing doctors if you 'd like.

Best regards,

Jack
